Senate Bills

SB 6203 by Senators Roach, Rasmussen, Sheahan, McCaslin, Honeyford, Zarelli, Oke, Long, Hochstatter, Swecker, Patterson and West

Requiring the waiver of the Washington state history and government course requirement for certain students.

Provides that those students of military families who have successfully completed a course in history in another state shall have the requirement in RCW 28A.230.090 waived by their principal.

-- 2001 2ND SPECIAL SESSION --

Jun 12 First reading, referred to Education.

SB 6204 by Senators Rasmussen, Honeyford and Swecker

Authorizing the transfer and use of moneys in the fruit and vegetable inspection district fund for pest control purposes.

Authorizes the district manager for district two as defined in WAC 16-458-075 to transfer four hundred fifty thousand dollars from the fruit and vegetable inspection district fund to the plant pest account within the agricultural local fund. The amount transferred is to be derived from fees collected for state inspections of tree fruits and is to be used solely to reimburse county horticultural pest and disease boards within district two for the cost of pest control activities, including tree removal, conducted under their existing authorities in chapters 15.08 and 15.09 RCW.

Declares that the transfer of funds shall occur by July 1, 2001. On June 30, 2003, any unexpended portion of the four hundred fifty thousand dollars shall be returned to the fruit and vegetable inspection district fund.

Held on first reading.

SB 6205 by Senators Rasmussen, Swecker and Jacobsen

Prescribing penalties for sabotage resulting in damage to land, facilities, and property or personal injury.

Prescribes penalties for sabotage resulting in damage to land, facilities, and property.

Finds that state, federal, and private facilities increasingly are becoming the target of terrorist activities. Timber and mining companies, fur farms, recreational, residential, commercial, and industrial development, university research facilities, animal and biotechnology research laboratories, and commercial and private animal production facilities have become targets in a campaign of intimidation, obstruction, and terrorism aimed at the closing of these facilities or industries.

Declares that these actions are not only illegal but impose extreme suffering and loss on individuals, families, businesses, and communities and pose a serious threat to human life.

Provides that every person who injures, interferes with, interrupts, intimidates, obstructs, or threatens to injure, interfere with, interrupt, intimidate, or obstruct employees or other authorized persons associated with any research or scientific investigation conducted by a university, private research facility, or a biotechnology laboratory is liable to the injured party for treble the amount of the damages caused by the injury, interference, interruption, intimidation, obstruction, or threat.

Provides that, whoever, with intent that his or her act shall, or with reason to believe that it may, injure, interfere with, interrupt, supplant, nullify, impair, intimidate, or obstruct employees or other authorized persons associated with any research or scientific investigation conducted by a university or private research facility or biotechnology laboratory, shall willfully injure or intimidate, or threaten to injure or intimidate, employees or other authorized persons associated with any research or scientific investigation conducted by a university or private research facility or biotechnology laboratory, shall be guilty of criminal sabotage.

Declares that criminal sabotage is a felony.

-- 2001 2ND SPECIAL SESSION --

Jun 14 First reading, referred to Judiciary.

SB 6206 by Senators Kline, Deccio, Rossi, Constantine, Costa, Spanel and Kohl-Welles

Exempting property used for chemical dependency treatment from taxation.

Declares that real and personal property owned or leased by a nonprofit corporation, association, or other entity that is certified under chapter 70.96A RCW and used for chemical dependency treatment is exempt from taxation.

-- 2001 2ND SPECIAL SESSION --

Jun 15 First reading, referred to Ways & Means.

SB 6207 by Senator Gardner

Providing tax incentives for certain industrial facilities.

Provides that a person who owns and operates an industrial facility is allowed to defer taxes due under chapters 82.08, 82.12, and 82.14 RCW on sales or charges made for tangible personal property consumed and/or for labor and services rendered in respect to the construction or installation of electrical generating equipment or facilities necessary to increase production at the industrial facility to levels prior to October 1, 2000, subject to the requirements of this act.

Provides that a person who owns and operates an industrial facility may defer taxes due under chapter 82.04 RCW on sales of electricity to the Bonneville power administration or to a light and power business taxable

under chapter 82.16 RCW if the sale occurred after October 1, 2000, and before the earlier of October 1, 2003, or the date the production at the industrial facility reaches levels of production prior to October 1, 2000.

-- 2001 2ND SPECIAL SESSION --

Jun 15 First reading, referred to Ways & Means.

SB 6208 by Senator Snyder

Coordinating the planning process of the growth management act and the shoreline management act.

Recognizes that there are numerous regulations requiring local governments to protect the environment, and salmon in particular. The growth management act requires that county and city development regulations include best available science when designating and protecting critical areas, including fish and wildlife areas, wetlands, and frequently flooded areas. The growth management act also requires counties and cities to give special consideration to conservation and protection measures necessary to preserve or enhance anadromous fisheries.

Finds that, in addition, most counties and cities must comply with the federal clean water act. Many counties and cities must develop storm water management plans and must require those developing property to use best management practices to prevent storm water runoff.

Finds that counties and cities must also comply with the state environmental policy act. Many counties and cities also have in place flood hazard reduction programs, are engaged in watershed planning, and are engaged in salmon recovery limiting factors analysis.

Declares an intent of this act to coordinate the planning process of the growth management act, chapter 36.70A RCW, and the shoreline management act, chapter 90.58 RCW.

Appropriates the sum of three million five hundred thousand dollars for fiscal year 2002 from the general fund to the department of ecology to implement this act. Of the amount in this provision, three million two hundred thousand dollars is provided solely for grants to local governments to update shoreline master programs according to section 4 of this act, and three hundred thousand dollars is provided solely for technical assistance and the shoreline oversight committee contractor in section 5 of this act.

Appropriates the sum of three million five hundred thousand dollars for fiscal year 2003 from the general fund to the department of ecology to implement this act. Of the amount in this provision, three million two hundred thousand dollars is provided solely for grants to local governments to update shoreline master programs according to section 4 of this act, and three hundred thousand dollars is provided solely for technical assistance and the shoreline oversight committee contractor in section 5 of this act.

Appropriates the sum of one million five hundred thousand dollars for fiscal year 2002 from the general fund to the department of community, trade, and economic development to implement this act. The entire appropriation in this subsection is provided solely for grants to local governments to implement section 2 of this act.

Appropriates the sum of one million five hundred thousand dollars for fiscal year 2003 from the general fund

to the department of community, trade, and economic development to implement this act. The entire appropriation in this subsection is provided solely for grants to local governments to implement section 2 of this act.
